STIP AMENDMENT 98S-139 NOTICE

SUMMARY

This amendment programs an additional \$734,000 from Tulare County's Unprogrammed Share Balance to increase funding for the environmental phase of the Avenue 416 four-lane expressway project in Tulare County to \$1,100,000. The \$1,860,000 programmed for the design phase remains unchanged.

RECOMMENDATION

The Tulare County Association of Governments (TCAG) is requesting this amendment. The Department reviewed this amendment and found it to be consistent with the Commission adopted STIP Guidelines.

RESOLUTION

Resolved, that the California Transportation Commission (CTC) revise the 1998 State Transportation Improvement Program (STIP) at the end of the 30-day notice period as follows:

Modifies:

Project Information								
County:	CT District:	PPNO:	EA:	Element:	Const Year:	PM Back	PM Ahead	Route/Corridor

TOTAL				\$366		\$1,860		\$2,226
				\$1,100				\$2,960

June 14-15, 2000

BACKGROUND

This amendment programs an additional \$734,000 from Tulare County's Unprogrammed Share Balance to increase funding for the environmental phase of the Avenue 416 four-lane expressway project in Tulare County to \$1,100,000. The \$1,860,000 programmed for the design phase remains unchanged.

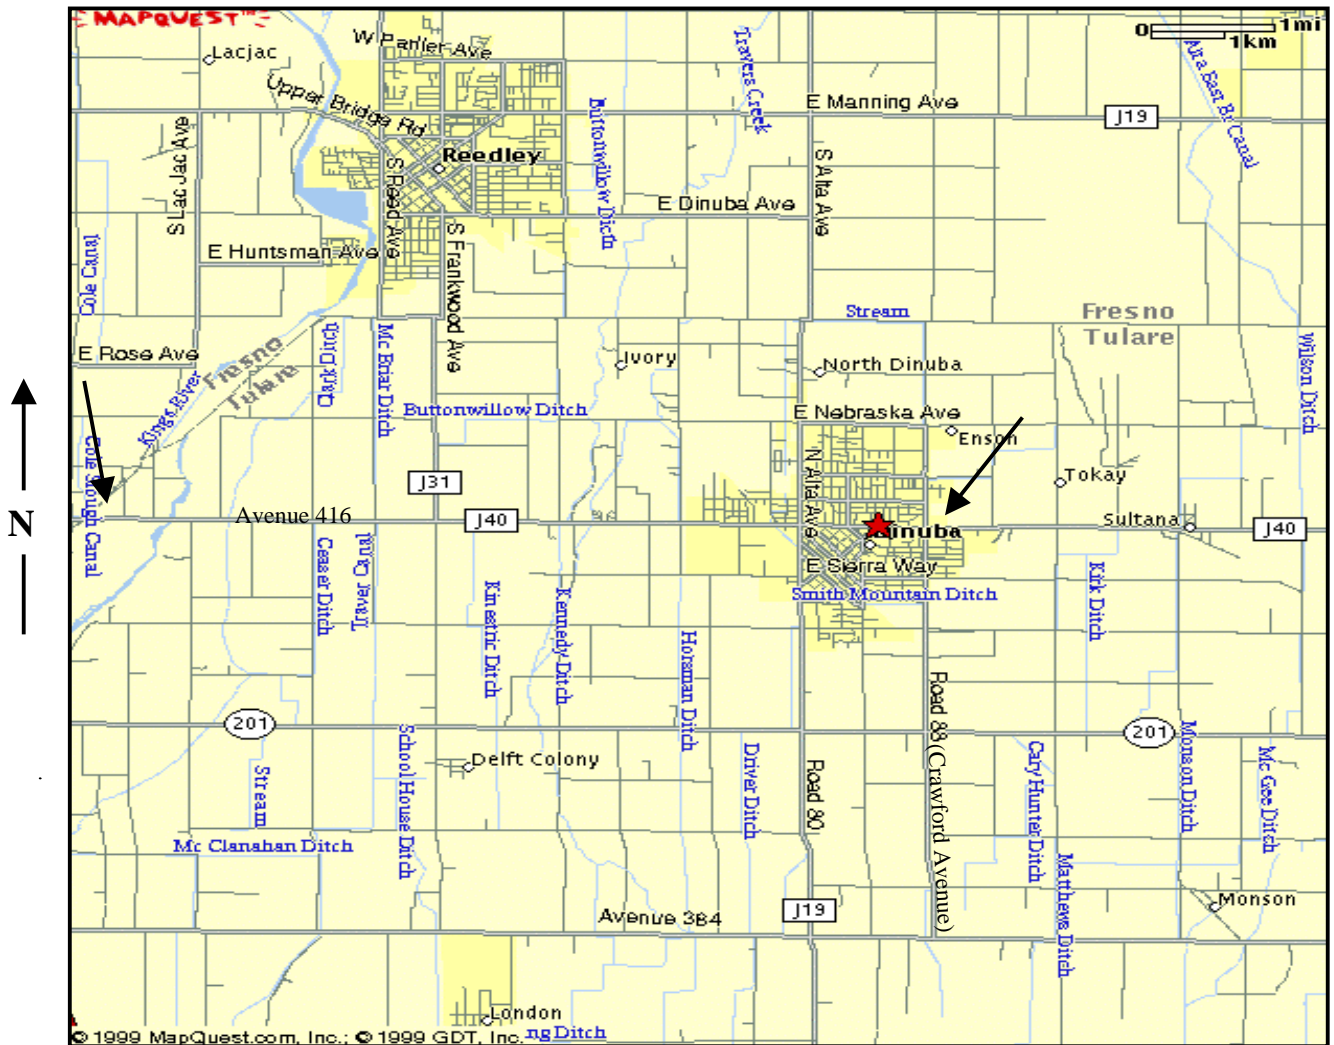

After the project was amended into the 1998 STIP in March 2000 Tulare County discovered that they had underestimated the funding needed for the environmental component. Tulare County's original cost estimate for this project did not anticipate all of the environmental studies needed to evaluate wetland impacts. The estimated cost for the environmental phase has now been increased from \$366,000 to \$1,100,000.

The total project cost for widening Avenue 416 between the Fresno County Line and Road 88 to a 4-lane expressway has increased by \$734,000 from \$27,970,000 to \$28,704,000. The \$25,010,000 needed for the right of way and construction phases of this project will be programmed in future STIPS. Construction is planned for July 2006.
